## CANVAS PRINTS

Unleash creative potential in your business with JONDO UK's Canvas Prints.

Our canvases are perfect for detailed artistic creations or inspiring photography. They offer sharp and vibrant print in a wide range of sizes in either gloss, matte and satin to suit any space.

Ensuring sustainability throughout, our canvases are matched with eco-friendly HP Latex inks and knot-free wooden frames from FSC certified responsible sources.

Transform your walls with art that reflects both quality and style.

## CANVAS: FRAMES AND DEPTHS

JONDO UK offers various depth options for the canvas running with 1.25" standard.

We also offer the option to boost artwork with our Framed options which feature a solid wood floating frame in a range of colours and finishes, providing a clean and professional feel to any room.

And of course, all our canvases are meticulously finished with hanging hardware and clear plastic bump stops for a seamless, easy display.

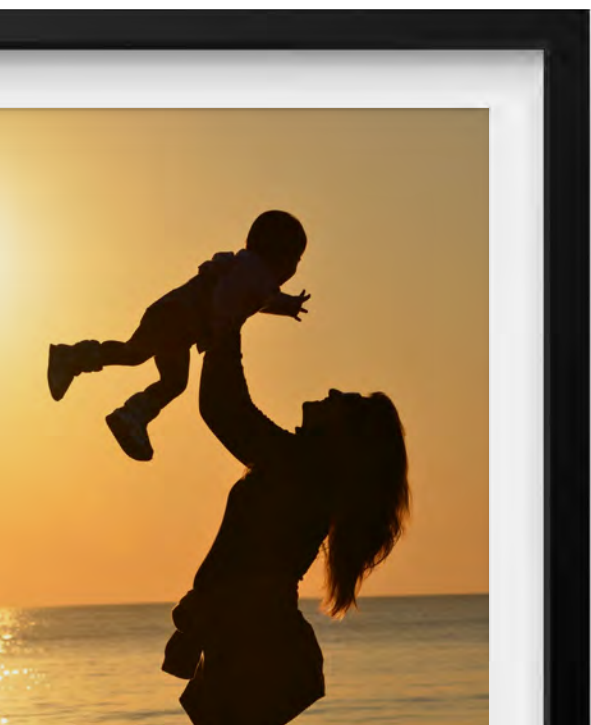

## ART PRINTS

Discover exceptional image clarity and detail with our Art Prints.

Whether you're looking for a popping poster print or an archival quality gallery reproduction, JONDO UK can provide. Perfect for artwork and photography alike, our professional printing on exceptional quality paper stock ensure your prints reflect the utmost quality for a lifetime.

Elevate your artistic vision with prints that capture every nuance and bring your creations to life in stunning detail with JONDO UK's Art Prints.

## ART PRINTS: PAPER, FRAMES AND MOUNTS

JONDO UK have 3 main offerings for paper stock; an archival quality 100% cotton linter fine art stock for gallery quality reproductions, a bright white FSC certified matte poster paper stock with a water resistant inkjet coating and a semi gloss poster paper stock which provides similar results to what one would consider a traditional photo print offering sharp photographic reproduction and colour fidelity.

A selection of framing options are also available for our art prints, all manufactured by hand, on site, from FSC certified knot free wood. Mounting options are also available.

## HD METAL PRINTS

JONDO UK's HD Metal Prints offer a modern solution for transforming images into striking works of art.

Through a unique dye sublimation process, images are infused into specially coated aluminium sheets, ensuring brilliant colours and exceptional detail.

Experience Wall Art like never before with these sleek and vibrant metal prints that bring a contemporary edge to your space.
